THE GREAT COMMISSION

The Need

On June 23, 2016, thunderstorms brought torrential rain to much of West Virginia, resulting in accumulations of up to 10" of rain in 12-24 hours. 23 people died over the course of the next week and 45 counties were given federal state of emergency status.

On the residential side, initially 1,500 homes were totally destroyed with many business and homes being added later.

The Task

- To help repair & rebuild homes.
- To be a listening ear.
- To use our gifts for God's glory.
- To be blessed.
- To respond as a Presbytery with volunteer labor.

The Trip

- Driving vans from Kiskiminetas Presbytery to Webster Springs, WV
- Bring a sleeping bag, air mattress or cot.
- Bring work clothes & sturdy shoes or work boots.
- Responsible for meals during travel.
- Accommodations: floor space in two churches, hot showers and meals.
- Evening devotions and debriefing.

KISKIMINETAS PRESBYTERY DISASTER RESPONSE STORY

Following Hurricane Katrina, which hit the US gulf coast in 2005, people in Kiski Presbytery felt the tugging of the Spirit, urging them to reach out with hands-on help. That led to the first Presbytery-wide disaster response trip in many years.

Since 2007, Kiski work teams have traveled to areas hit by natural disaster to help the victims rebuild their homes and their lives. Over those 10 years, nearly 300 volunteer workers, have come from our churches and used their gifts and talents in awesome ministry. Work sites have included

D'Iberville, MS; Iowa City, IA; New Orleans, LA; Nashville, TN; Jamaica, Queens, NY; and Point Pleasant, NJ.

Ask any of those 300 and they'll tell you the blessings they received far outweigh any blessings they gave. You, too, can have one of the best faith experiences of your life. Listen to God's call! Sign up today!
