

## Presbytery of Kiskiminetas

Presbyterian Church (U.S.A.)

September 5, 2017

Dear Session Clerks, Moderators, and Members of Sessions:

There has been discussion regarding our Presbytery's Policy on Dealing with Per Capita. This policy will be reviewed and may be revised. In conformance with the Book of Order and the freedom of conscience, for 2017, the handling of per capita will be straightforward.

Every congregation, including each session, is encouraged to pay the full per capita for our presbytery, our synod and General Assembly. For 2017, Presbytery set total per capita at \$29.58 (Kiski Presbytery \$19.78, Synod of the Trinity \$2.30, General Assembly \$7.50).

Your congregation's 2017 per capita is based on the total reported active members on the roll as of December 31, 2015. We realize that active membership numbers can change significantly in a period of two years. For next year, your Presbytery's Stated Clerk will request a waiver from General Assembly, if you notify her of a significant change in membership.

If, as an act of conscience, your congregation will pay less than the full per capita for Synod or General Assembly, complete and return the form below to the presbytery offices by October 1. With that notice, we can adjust our payments and respect your act of conscience. However, if no such notice is received, our presbytery will, by default, pay the full Synod and GA per capita for your congregation.

Thank you for your attention to this matter.

Sincerely, The Presbytery Administration Team

For reasons of conscience, the congregation of \_\_\_\_\_, PIN# \_\_\_\_\_, will pay per capita as noted:

	Full Amount	Only What Is Received	Zero Payment	Will Pay Set Amount
	<i>Check one box for Synod and one for General Assy</i> <b>OR</b> <i>Enter \$ amount below</i>			
Synod of the Trinity				
General Assembly
