

Volunteers are needed to help get the grounds cleaned up, we still have lots of trees that fell over the winter. The next work day is May 19th 2018 from 9:30am to 4:30pm.

The heavy snow took its toll on the trees last winter. We need a lot of help sawing, splitting, and removing the downed trees. Please join us if you're able. Thank you!

WORK DAYS ANNOUNCED

WHERE: Camp Lambec

WHEN: May 5th and May 19th from 9:30am to 4:30pm

WHAT: There are jobs to do for all skill levels

BRING: A bagged lunch, drinking water, work gloves, hand sanitizer, chain saws, and any tools that you think would be helpful

RSVP: Please email Bob Meanor at meanor300@comcast.net by May 1st if you are coming (and with how many people).

A light lunch is provided.

IMPORTANT NOTICE

The camp's water system is still being renovated and is in the final testing phase, however, the water remains UNUSABLE and volunteers are not permitted to spend the night. This is a work day for the purpose of performing maintenance and preparing the camp for summer. The boil water requirement remains in effect (the water is, in fact, shut off).

There will be an orientation at 9:30am in the Dining Hall. Please do not arrive before 9:00am.
