

The Resource Center is the place to come when you need to borrow a variety of equipment for your congregation's ministries. Read about some of the many items we have for you to borrow.

Laptops

The Resource Center owns three laptops that are available to be borrowed for powerpoint presentations, with the **Dance Praise** resources and other uses. Please be responsible when using this equipment to be sure that all cords and the remote are returned with equipment.

Data Projectors

Data projectors, also known as multi-media projectors, allow you to use a laptop computer to make professional powerpoint presentations before a large number of people. Three data projectors are available. Users are asked to be responsible when using this equipment to be sure that all cords and the remote are returned with equipment.

DVD Projector

A fully digital home theater projector with integrated DVD player. Just plug in, point it at the wall or borrow one of our **Screens**, insert DVD and you're ready to go.

Digital Camcorder

Panasonic Camcorder- ultra compact with memory card. Light weight, small, portable, long running battery.

Digital Camera

A Canon Powershot A700 digital camera lets you take high quality digital pictures of your church events. These pictures are stored on a compactflash card, which you then download to your computer. You may also bring the camera into the Resource Center to have the pictures transferred to CD or USB thumb drive, which you provide.

Overhead Projectors

Two overhead projectors are available for loan. They can be used to project words or pictures from transparencies onto a screen or wall. Many Bible School programs offer backdrops and scenery that can be easily accomplished by use of an overhead projector.

Projector Stands

These handy stands are made to hold projectors, laptops, or any other projection equipment. They are lightweight and come with adjustable legs, which makes them easy to fold up and transport.

Screens

We have four screens available. Two are 60 by 60 inches and two are 48 by 48 inches. Uniquely designed screen lifts up and out of its aluminum case and is ready to use in seconds. Lightweight and self-standing so it goes anywhere. Easy to transport.

Tripod

Fluid-head tripod, weighs 3 pounds, 58 inches extended, 24 3/8 inches collapsed. Can be used with the digital camera or camcorder.

Parachutes

We have two parachutes available to borrow. One is a bright, multi-colored 20-foot diameter. The other is a smaller 12-foot diameter chute. Use to enhance recreation time with your kids at Bible School, church picnics, retreats, or other gatherings. Also available: **Parachute Games With DVD**, provides lots of game ideas.

Easels

The low-tech alternative to Powerpoint presentations! If you love the security of markers and tablets, the Resource Center has three lightweight aluminum easels to loan. We also have a heavy-duty easel that has a white display board.

Dance Praise

Get Your Family or church family Off the Couch!!

Simply plug in the pad, pop in the CD-ROM, and start stepping to top Christian songs from your favorite artists. We have **four** pads available for multi-player fun.

- * Competitive mode – see who earns the highest score
- * Cooperative mode – dance together for a joint score
- * Shadow dance – create your own dance and have your friends follow along

Some of the items in our "Equipment Closet" might not technically be described as equipment, but they don't fit into the book or video category, either! Check out these unique items:

Chalice

This has been used at the national meetings of Presbyterian Men and Presbyterian Women. A particle from the Berlin Wall is in the glaze as a reminder that dividing walls can be overcome. The hands on the cup serve as a reminder of our oneness in Christ.

Seder Plate

A brilliantly colored Seder plate, with special areas for each of the special Seder food items, can augment your Lenten celebrations and or displays.

Armor Bear-er
Full Armor Of God
This plush teddy bear will help your children understand

Ephesians 6:13-17 in a very real way.

Instant Church Directory

Now you can provide your congregation with an updated photo-directory every year – or as often as you like – without dealing with a photo-directory company. You can do it yourself, right in your church office, with the equipment you already have.

Banners

Banners of the Creeds and Confessions of the PC (U.S.A.)

The Presbyterian Women of Kiski have created banners for each of the creeds and confessions found in our **Book of Confessions**. Handy carrying bags make transporting the banners easier, and poles and stands are loaned with them for display purposes. Examples of special banner services also can be checked out. The banners make a wonderful visual display during a sermon series, a special Presbyterian heritage celebration, or study of our denomination. Banners are 6 ft. by 3 1/2ft.
